## Important Information Regarding Your Paradise Valley Federal Credit Union Account(s)

Dear Valued Member,

Effective this August, Paradise Valley Federal Credit Union (Paradise Valley) will become NuVision Credit Union (NuVision).

On behalf of the NuVision Credit Union Team, I would like to welcome you to NuVision! From its beginning in 1957 Paradise Valley has a long history of improving the financial well-being of its members and community. NuVision shares this commitment, and we are honored to continue that important legacy, bringing you and your family much more from your credit union membership while expanding our community investment programs and partnerships.

Beginning August 19, 2024, you will have access to more branches and many new products and services will be available to you as a NuVision member with the same personalized high-quality service you've always enjoyed at Paradise Valley.

While there will be no changes to your accounts until August 19, we are working hard to make the transition to NuVision as smooth as possible for you. We invite you to visit our partnership website page for more information about how the merger will impact you:

Enclosed you will find a quick start guide with important information regarding your new NuVision account(s) and membership. Please take a moment to review and file with your important papers for future reference.

We want to again welcome you to NuVision. If you have any questions about the enclosed materials, please don't hesitate to visit a branch or call us at (800) 444-6327. We're excited to be your credit union and look forward to having you as a member. We are dedicated to building upon your Paradise Valley experience and helping you build a better life in all your financial needs in the years ahead.

Sincerely,

Roger Ballard  
CEO, NuVision Credit Union
