

Important Information Regarding Your Beverly Hills City Employees Federal Credit Union Account(s)

Dear Valued Member,

Effective September 21, 2026, Beverly Hills City Employees Federal Credit Union (BHCEFCU) will become Nuvision Federal Credit Union (Nuvision).

On behalf of the Nuvision Federal Credit Union and Beverly Hills City Employees Federal Credit Union Teams, we would like to welcome you to Nuvision! From its beginning in 1954, BHCEFCU has a long history of improving the financial well-being of its members and communities. Nuvision shares this commitment, and we are honored to continue that important legacy, bringing you and your family much more from your credit union membership, while expanding our community investment programs and partnerships.

Beginning September 21, 2026, you will have access to more branches and many new products and services will be available to you as a Nuvision member, with the same personalized high-quality service you've always enjoyed at BHCEFCU.

While there will be no changes to your accounts until September 21, we are working hard to make the transition to Nuvision as smooth as possible for you. We invite you to visit our FAQ page at nuvisionfederal.com/bhmerger, for more information about how the merger will impact you.

Enclosed you will find a quick start guide with important information regarding your new Nuvision account(s) and membership. Please take a moment to review and file with your important papers for future reference.

We want to again welcome you to Nuvision. If you have any questions about the enclosed materials, please don't hesitate to visit a branch or call us at (800) 444-6327. We're excited to be your credit union and look forward to having you as a member. We are dedicated to building upon your Beverly Hills City Employees experience and helping you build a better life in all your financial needs in the years ahead.

Sincerely,

A handwritten signature in black ink, appearing to read "Roger Ballard".

Roger Ballard

CEO, Nuvision Credit Union
